Re: Middletown Waste Disposal, Inc. Rate Case No. 2009-00227/Supplemental Response

Dear Sir or Madam:

Attached please find a copy of a February 4, 2010 letter from Beckmar Labs concerning the added cost for analysis for additional permit requirements that will be incurred by Middletown Waste Disposal, Inc. ("MWD"). Also, enclosed is a copy of a February 5, 2010 letter addressing attorney's fees relating to MWD's rate increase request. Please incorporate the enclosures with MWD's prior submissions. MWD continues its request for an informal conference to discuss matters presented.

Sincerely,

Richard A. Greenberg

Re: Middletown Sewer Plant Draft Permit
KY0086845
Added costs to weekly analyses

Gentlemen,

I have recently reviewed the draft permit KY0086845
and have noticed that the new permit will require
extra weekly analyses as follows:

Total phosphorus (effluent)	\$35
Total nitrogen (effluent)	
TKN	45
nitrate	30
nitrite	30

\$140 / week extra

Please call me if you have any questions.

Sincerely,

Paul D. Barker

To whom it may concern:

The following addresses my legal fees rendered on behalf of Middletown Waste Disposal, Inc. ("MWD") concerning its rate increase request. Through January 2010 I have rendered legal services in the amount of \$6,103.50. MWD will incur additional legal fees related to its rate increase request.

Sincerely,

Richard A. Greenberg
