Re: In the matter of Petition of Windstream Kentucky East, LLC (“Windstream”), for Arbitration of An Interconnection Agreement with New Cingular Wireless PCS, D/B/A AT&T Mobility, Case No. 2009-00246

Dear Ms. Bowman:

The following are Windstream’s comments to your Intra-Agency Memorandum of February 5, 2010 concerning the informal conference held in this matter on Thursday, February 4, 2010:

- 1) With respect to the first bulleted item, the last sentence should state “Windstream stated that it did not object to keeping each of the 9 issues as a sub-issue of Windstream’s Issue #4.”
- 2) With respect to the third bulleted item, the last sentence should state “New Cingular is to forward to Windstream its proposal regarding resolving Windstream’s Issue #2, and thereafter, the parties will discuss the settlement of Issue #2 and may have a settlement result within 4 weeks.”

Please call me if you have any questions concerning these comments.

Yours truly,

Robert C. Moore
