**JOINT MOTION OF WINDSTREAM AND AT&T KENTUCKY TO SUSPEND
PROPOSED JOINT PROCEDURAL SCHEDULE**

Windstream Kentucky East LLC ("Windstream") and New Cingular Wireless PCS, LLC, d/b/a AT&T Mobility, on behalf of itself and its wireless operating affiliates in Kentucky ("AT&T Mobility"), jointly move the Kentucky Public Service Commission ("Commission") to suspend the amended Proposed Joint Procedural Schedule approved by Commission Order dated February 23, 2010. In support of this motion, the Parties state that Windstream recently filed on or about May 27, 2010, an updated cost study that will require more time for AT&T Kentucky to review the study and to propound any necessary data requests prior to the taking of depositions in this case. Additionally, AT&T Mobility will be performing a traffic study that it hopes will help resolve one of the issues in the case. If resolution is not reached, Windstream will propound any necessary data requests prior to the taking of depositions in this case. That will require further time as well.

Based on the foregoing, Windstream and AT&T Mobility respectfully request that the Commission suspend the current amended Proposed Joint Procedural Schedule

and allow them further time to submit an amended procedural schedule that reflects the current activity in the case.

Respectfully submitted,
