I had a tenant who rented from me. When they moved out, the water meter was broken. I took a picture as evidence. When the meter reader came to my house, the wrong number was written down and the bill I received was very expensive. I went to a judge and she admitted my picture as evidence but the Kentucky Utilities (KU) supervisor refused to accept the picture and said I still owed the bill. I'm typing this complaint because I don't think it's fair that I should pay this expensive bill.
