Re: Case No. 2009-00272

Madison County Utilities District request a three week extension (November 23, 2009) in its responses to your order in the case number mentioned above.

The reasons for the request are:

1. Several questions have to be brought before the board of commissioners. The next board meeting is scheduled for October 29, 2009.
2. Several questions have to be reviewed by our CPA, engineer and district manager. Their schedule is such that a date of November 2, 2009 has been set for the initial meeting. The project will then have to be back here at MCUD office to be physically prepared for the PSC review.

Your favorable response to our request is appreciated.

Sincerely,

John C. Clark
Manager
