PUBLIC SERVICE  
COMMISSION

In the Matter of:

APPLICATION OF CLARK ENERGY )  
COOPERATIVE, INC. FOR AN ) CASE NO. 2009-00314  
ADJUSTMENT OF RATES )

FILING OF PUBLISHED NOTICE PURSUANT  
TO 807 KAR 5:001 SECTION 10(4)(d)

Comes now Clark Energy Cooperative, Inc., by and through counsel, pursuant to 807 KAR 5:001 Section 10(4)(d), and herewith files with the Commission Affidavits from various newspaper publishers verifying that notice to customers of Clark Energy's Rate Application has been filed, including the dates of the publications along with attached copies of the published notices.

This filing is made within 45 days of the filing of Clark Energy's Rate Application.

Publication was made in the following newspapers of general circulation in Clark Energy's service area:

- The Bourbon County Citizen*
- Bath County News – Outlook*
- Menifee County News*
- Mt. Sterling Advocate*
- The Morehead News*
- Richmond Register*
- Clay City Times*
- The Winchester Sun*

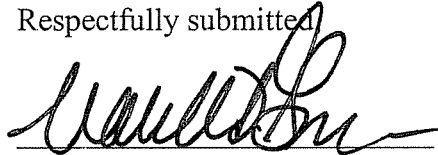

It should be noted that unintended and minor publication errors occurred with the publications in the *Clay City Times* and *The Winchester Sun*. Explanations for both of those situations are included with the publishers' Affidavits.

Clark Energy believes that total compliance with the notice regulation was accomplished as to all of the listed publications except for the two aforementioned errors. However, those publisher errors were properly rectified such that substantial compliance with the notice regulation was ultimately accomplished. However, in the event that the Commission does not believe this to be the case, Clark Energy respectfully requests that the Commission permit a deviation from the notice requirements with regard to the *Clay City Times* and *The Winchester Sun* publications. (807 KAR 5:001 Section 14).

WHEREFORE, Clark Energy Cooperative, Inc., by and through counsel, respectfully files its Published Notice as aforementioned.

This 4<sup>th</sup> day of January, 2010.

Respectfully submitted,

Mark David Goss
