

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF JESSAMINE COUNTY     )  
WATER DISTRICT NO. 1 TO REVISE     ) CASE NO. 2009-00321  
CERTAIN NONRECURRING CHARGES     )

O R D E R

On August 3, 2009, Jessamine County Water District No. 1 (“Jessamine”) applied for authority to revise certain nonrecurring charges. Jessamine was notified by letter dated August 7, 2009 of filing deficiencies in its application and given 15 days to cure the deficiencies. Jessamine filed a response to the Commission’s August 7, 2009 letter on August 13, 2009 curing the deficiencies. The August 13 response proposed an effective date for the revised tariff of September 17, 2009. The Commission issued an Order on September 9, 2009 suspending the proposed tariff until February 17, 2010.

On October 23, 2009, Staff propounded an information request to Jessamine giving the utility ten days to respond to the request. On November 19, 2009, the Commission sent a letter to Jessamine’s chairman, Carl Waites, requesting that the utility respond to the October 23, 2009 information request within 10 days of the date of the letter. As of the date of this Order, no response from Jessamine has been received.

Based upon a review of Staff’s information request, our November 19, 2009 reminder letter, and Jessamine’s failure to respond to either, the Commission finds that Jessamine should have 10 days from the date of this Order to submit the information

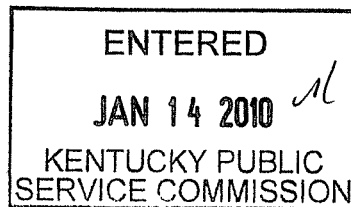

requested by Staff on October 23, 2009. If the information requested is not filed within 10 days of the date of this Order, this proceeding will be dismissed without prejudice and without further Order.

IT IS HERBY ORDERED that:

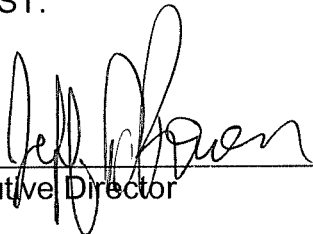

1. Jessamine shall have 10 days from the date of this Order to submit the information requested by Staff on October 23, 2009.

2. If the information requested is not filed within 10 days of the date of this Order, this proceeding will be dismissed without prejudice and without further Order.

By the Commission
