On October 1, 2009, Kentucky Utilities Company ("KU") filed a motion requesting that an informal conference be held on October 13, 2009. KU proposes that the purpose of the informal conference be to discuss the procedural schedule, any issues identified by The Liberty Consulting Group that need clarification or further discussion, the Commission's September 21, 2009 Order, and the status of the construction of the Mill Creek to Hardin County transmission line.

Having reviewed the motion and being otherwise sufficiently advised, the Commission will grant KU's motion for an informal conference.

IT IS THEREFORE ORDERED that an informal conference is scheduled on October 13, 2009 at 1:00 p.m., Eastern Daylight Time, in Conference Room 2 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, to discuss the issues heretofore stated.
