**Re: *In the Matter of: The Joint Application of Kentucky Utilities Company and Louisville Gas and Electric Company for Approval of Depreciation Rates for Trimble County Unit 2, Case No. 2009-00329***

Dear Mr. DeRouen:

On October 19, 2009, Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”) (collectively, the “Companies”) filed their Response to the First Data Request of Kentucky Industrial Utility Customers, Inc. In response to Question No. 1-2(a), the Companies attached a portion of a document labeled as “Confidential and Proprietary” which contained project information related to Trimble County Unit 2. Although the document as originally filed in 2006 with the Department of Energy was treated confidentially, the same document was provided in its unredacted form as Exhibit 2 to the Applications filed in Case Nos. 2007-00178 and 2007-00179. The information contained therein is no longer considered confidential, and may be placed into the public record.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Allyson K. Sturgeon
