Re: Case No. 2009-00349
South 641 Water District

Dear Mr. Parks:

The enclosed electronic mail messages between Commission Staff and the Purchase Area Development District have been placed in the record of the above-referenced proceeding.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".

Jeff Derouen
Executive Director

Subject: RE: Case No. 2009-00349: South 641 Water District

Mr. Wuetcher:

Sorry for the delay in responding to your email. The engineer has been working on finalizing the bid documents and has now set a date for advertising. The South 641 Water District plans to advertise for bids on January 9th, 10th, and 30th, 2010. The bid opening will be scheduled for February 10, 2010 at 10am. We will forward the bid information to the Public Service Commission once the bids have been received.

Thank you for your assistance with this project.

Happy New Year!

Thank you,

Kim DeRenard
Purchase Area Development District

Ms. DeRenard:

Just following up on our earlier conversations and e-mail exchanges. Has South 641 WD received and opened bids on the project? If not, when are bids due and the bid opening scheduled? When does WD expect to file bid tabulations and notice of selected bidder with PSC?

Once PSC receives the bid tabulations, it can proceed to move forward on the application and will do so very quickly.

Sincerely,

Gerald E. Wuetcher

Subject: RE: Case No. 2009-00349: South 641 Water District

Thanks for the information. I will talk to the Water District and Project Engineer about advertising for bids. The Water District meets this evening so I will give them the information. We should be able to advertise soon.

Thanks,

Kim DeRenard

Subject: Case No. 2009-00349: South 641 Water District

Ms. Derenard:

I have been advised that a final order on South 641 Water District's application for a certificate of public convenience and necessity cannot be issued until the bid tabulations on the proposed project have been filed with the PSC. Currently pending before the PSC is an application for Phase I of the project (lift station and improvements to wastewater treatment plant). I believe that once the bid tabulations are received, the PSC can issue a final order very quickly.

If you have any questions, please contact me.

Sincerely,
