Re: Louisville Gas and Electric Company and Kentucky Utilities Company  
Petition for Confidential Treatment received 8/28/09  
PSC Reference – Case No. 2009-00353

Dear Mr. Crosby:

The Public Service Commission has received the Petition for Confidential Treatment you filed on August 28, 2009 on behalf of Louisville Gas and Electric Company ("LG&E") and Kentucky Utilities Company ("KU") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.870. The information you seek to have treated as confidential is identified as information contained in LG&E's and KU's Exhibit 1 to their Motion for Declaratory Ruling and described as their DRAFT Application for Approval to Enter into Purchased Power Agreements ("Wind Power Contracts") and Recover Associated Costs Application, which includes pricing and bidding strategies. Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would compromise LG&E's and KU's competitive position in the industry and result in an unfair commercial advantage to its competitors, and further state that LG&E and KU are contractually committed to Invenergy to keep this information confidential.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information you seek to keep confidential is of a confidential or proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to LG&E's and KU's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this

case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, LG&E and KU are required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen  
Executive Director
