Tom,

As we discussed this morning, I will enter the requisition for \$50,000 this afternoon after I complete a project I'm working on; also, I will have the Change of Distribution Request form ready for Doug's approval.

You had mentioned yesterday about a requisition for the amount of \$120,000, but after looking in Outlook, I did not find any information.

Debbie,

What is the status of these items? Please reply and let me know.

Thanks.

Tom
