Dan,
Sounds good. I have a flight at 3PM CST (4PM EST) out of ST Paul today for my return to Louisville.
Call me on my cell. Thanks,

Dan,
Is the 99MWs at Grand Ridge that we are discussing in our draft agreement committed to the PJM Market in 2010 and longer? I would think not but PJM has asked us the question with our PTP TSRequest. I am thinking that this is no wind gen not yet committed to anyone.

Thanks,
