CONTINUED SUPPLEMENTAL REQUESTS FOR INFORMATION OF JOINT  
INTERVENORS ATTORNEY GENERAL AND KENTUCKY INDUSTRIAL  
UTILITY CUSTOMERS BASED ON EON COMPANIES' CONTINUING  
RESPONSES TO JOINT INTERVENORS' INITIAL DATA REQUESTS

**PUBLIC REDACTED VERSION**

Come now intervenors the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, and Kentucky Industrial Utility Customers, Inc. [hereinafter jointly referred to as "Joint Intervenors"], and submit these Continued Supplemental Requests for Information to Louisville Gas & Electric Co. and Kentucky Utilities Co. [hereinafter jointly referred to as: "EON Companies"] to be answered by the date specified in the Commission's Order of Procedure or by such date as agreed to by and among the parties, and in accord with the following:

(1) In each case where a request seeks data provided in response to a staff request, reference to the appropriate request item will be deemed a satisfactory response.

(2) Please identify the witness who will be prepared to answer questions concerning each request.

(3) Please repeat the question to which each response is intended to refer. The Joint Intervenors can provide counsel for EON Companies with an electronic version of these questions, upon request.

(4) These requests shall be deemed continuing so as to require further and supplemental responses if the company receives or generates additional information within the scope of these requests between the time of the response and the time of any hearing conducted hereon. The companies have indeed indicated their production of documents in response to the Joint Intervenors' Initial Data Requests will likely continue beyond the date the instant Supplemental Requests are filed of record; therefore, Joint Intervenors reserve the right to submit additional Supplemental Data Requests to the E.ON Companies pertaining to any such documents produced after the Joint Intervenors submit the instant Supplemental Data Requests.

(5) Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

(6) If any request appears confusing, please request clarification directly from the Joint Intervenors.

(7) To the extent that the specific document, workpaper or information as requested does not exist, but a similar document, workpaper or information does exist, provide the similar document, workpaper, or information.

(8) To the extent that any request may be answered by way of a computer printout, please identify each variable contained in the printout which would not be self evident to a person not familiar with the printout.

(9) If the company has objections to any request on the grounds that the requested information is proprietary in nature, or for any other reason, please notify the Joint Intervenors as soon as possible.

(10) For any document withheld on the basis of privilege, state the following: date; author; addressee; indicated or blind copies; all persons to whom distributed, shown, or explained; and, the nature and legal basis for the privilege asserted.

(11) In the event any document called for has been destroyed or transferred beyond the control of the company, please state: the identity of the person by whom it was destroyed or transferred, and the person authorizing the destruction or transfer; the time, place, and method of destruction or transfer; and, the reason(s) for its destruction or transfer. If destroyed or disposed of by operation of a retention policy, state the retention policy.

(12) Please provide written responses, together with any and all exhibits pertaining thereto, in one or more bound volumes, separately indexed and tabbed by each response.

Respectfully submitted,

JACK CONWAY  
ATTORNEY GENERAL

1. Reference Document no. [REDACTED] (e-mail from [REDACTED] [REDACTED] dated July 10, 2009). Discuss, in detail, why the EON U.S. and / or EON (AG) Board approved the contract(s) at issue in the instant case when [REDACTED]
  - a. Why could the company not find an alternative supplier of renewable energy sources [REDACTED]?
  - b. What [REDACTED] upon which [REDACTED] based his concerns? What options existed at the [REDACTED] prices?
  - c. Reference document no. [REDACTED] ([REDACTED] response to the above-referenced e-mail), in which [REDACTED] stated his thoughts that he wanted to "... [REDACTED]." Explain, in detail, the nature of "[REDACTED]" to which [REDACTED] refers. Does "[REDACTED]" refer to any understanding between the EON entities (or its affiliates) and [REDACTED]?
  
2. Reference Document no. [REDACTED] (e-mail between [REDACTED] and [REDACTED] [REDACTED], copied to [REDACTED], dated Aug. 24, 2009). The document states, in part: "[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]"
  - a. Identify what is meant by "[REDACTED]."
  - b. Clarify whether the prices of the contemplated wind power contracts would be cost effective compared with the "[REDACTED]."
  - c. If the companies' goal is to provide the most cost-effective method of energy generation, would it not be more cost effective to forego the wind generation and instead rely upon whatever method of [REDACTED] [REDACTED] to which this e-mail refers?
  
3. Reference Document nos. [REDACTED]. [REDACTED]'s e-mail message indicates that "... [REDACTED]  
[REDACTED]" The companies' non-confidential response to Joint Intervenors' 1-17 indicates that the capacity would be excluded from the capacity available to the PJM. Is this a discrepancy? Explain in detail.

8. Reference non-confidential Document no. 1006205. Has the company reconsidered whether to seek recovery of costs in the current general rate case, or will it continue to seek the cost tracking recovery mechanism outlined in the instant case?
  
9. Reference non-confidential Document no. 1011831. Is Mr. Barker's concern that the companies would have to pay for MW hours that could not be produced by the wind farms correct? Has the company calculated the types and extents of losses they could incur if such a scenario occurs? If so, provide details and relevant data.
