

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED GAS ADJUSTMENT	)	
FILING OF AUXIER ROAD GAS	)	CASE NO. 2009-00357
COMPANY, INC.	)	

ORDER

On April 2, 2009, in Case No. 2008-00156, the Commission approved the Gas Cost Adjustment (“GCA”) clause of Auxier Road Gas Company, Inc. (“Auxier”) allowing for the monthly adjustment of its rates.<sup>1</sup>

On September 2, 2009, Auxier filed its proposed GCA to be effective October 1, 2009. Auxier requested a waiver from the 30-day notice requirement due to its late receipt of gas cost information from one of its suppliers. On this basis, the Commission finds that an October 1, 2009 effective date is appropriate.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Auxier’s notice includes revised rates designed to pass on to its customers its expected change in wholesale gas costs.
2. Auxier’s notice sets out an Expected Gas Cost (“EGC”) of \$5.7224 per Mcf, which is a decrease of \$.0953 per Mcf from its prior EGC of \$5.8177 per Mcf.
3. Auxier’s notice sets out no current Refund Adjustment.

---

<sup>1</sup> Case No. 2008-00156, Application of Auxier Road Gas Co., Inc. for an Adjustment in Rates and Certain Nonrecurring Charges (Ky. PSC Apr. 2, 2009).

4. Auxier's notice sets out a current month Actual Adjustment ("AA") of (\$.0470) per Mcf to return over-collections of gas cost from July 2009. Auxier proposed a total AA of (\$2.5355) per Mcf. Auxier did not correctly set out all the unexpired previous quarter AAs. Correcting this error produces a total AA of (\$2.2740) per Mcf, which is an increase of \$.3138 per Mcf from its previous total AA of (\$2.5878) per Mcf. Staff's calculations are included in Appendix B.

5. Auxier's notice sets out no current quarter Balance Adjustment ("BA"). Auxier neglected to calculate the BA resulting from the expiration of a previous AA. The current quarter BA should be \$.0098. The resulting total BA of \$.0068 per Mcf represents an increase of \$.0098 per Mcf from the previous total BA of (\$.0030) per Mcf.

6. Auxier's gas cost recovery rate is \$3.4552 per Mcf, which is an increase of \$.2283 per Mcf from its previous rate of \$3.2269 per Mcf.

7. The rates in Appendix A to this Order are fair, just and reasonable, and should be approved for billing for service rendered by Auxier on and after October 1, 2009.

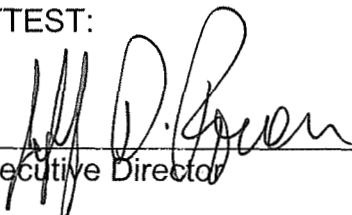

IT IS THEREFORE ORDERED that:

1. Auxier's proposed rates are denied.
2. The rates in Appendix A, attached hereto and incorporated herein, are approved for billing for service rendered on and after October 1, 2009.
3. Within 20 days of the date of this Order, Auxier shall file with this Commission its revised tariff sheets setting out the rates approved herein.
