RE: Case No 2009-00365  
Filing Deficiencies

The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to 807 KAR 5:011:

807 KAR 5:011: Section 10(1)(b) Statement by utility confirming that copy of filing was simultaneously sent to the Attorney General (Attorney General has 10 days to notify PSC if he requests a hearing.)

807 KAR 5:011: Section 10(1)(c) Statement explaining why proposed changes could not have been included in last rate case and why current conditions prevent deferring change until next rate case.

807 KAR 5:011: Section 10(1)(d) Impact statement identifying group of customers (both existing and potential) affected by proposed change.

807 KAR 5:011: Section 10(1)(e) Income statement and balance sheet for a recent 12-month period.

807 KAR 5:011: Section 8 If copy of public notice is included, did it meet requirements? (For sewers, direct mailing is required. See KRS 278.185)

2. Filing deficiencies pursuant to KRS 278.180

KRS 278.180 Has 30 days' notice been given to the Commission? (No effective date means no notice given and this is acceptable.)

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502/564-3940.

Sincerely,

Jeff Derouen  
Executive Director
