Re: Case No. 2009-00403
Rate Case for Evergreen Sewage Disposal System

Dear Mr. DeRouen:

On July 12, 2010, the Commission entered an order in the above matter which attached an amended staff report. After reviewing the same, this is to advise that Evergreen has no objections to the amended staff report and would request that the Commission enter an order approving the rate that the staff has recommended.

If you have any questions, please feel free to contact me at my email address of clarice@aplusreporting.com or my phone number of (859) 229-4514.

Sincerely yours,
