RE: Case No. 2009-00410
Filing Deficiencies

Shelby Energy is attaching an original and ten copies of fifteen (15) new tariff sheets. One sheet (Exhibit B-3) will cure the filing deficiency identified in your letter dated January 20, 2010. The remaining tariff sheets (Exhibits 4(1) – 4(14) are submitted to reflect the new proposed effective date as mentioned in the same letter.

Revisions to Exhibit B:

3. A new PSC 8, 1st Revised Sheet 9 which provides a “Reconnect for disconnect” charge of \$35.00 and a “Collection” charge of \$30.00, for a total charge of \$65.00 for a reconnect for non-payment during regular working hours.
- 4(1) – 4(14). A new proposed tariff sheet with the applicable effective date for each rate class affected.

We appreciate your assistance with the deficiencies recognized by your office and hope each has been resolved to meet the requirements needed to process our rate application.

Sincerely,

Debbie Martin:

RULES AND REGULATIONS

19. MONITORING OF CONSUMER USAGE (continued)

B. High-Low Exception Report: Before the monthly bill calculations, a high-low exception report is run which flags any readings which would generate a bill usage 50% higher or 50% lower than the average of the three preceding months or the corresponding month one year ago.

If an unusual deviation cannot be readily determined, such as a keypunch error, the source document is checked to determine cause for excepting listing.

If the cause for unusual deviation cannot be identified from available documents, a meter reader is dispatched to obtain a new reading. This reading is then compared to the reading previously entered to determine variance.

20. RECONNECTION CHARGE:

When service has been disconnected for other than non-payment of delinquent bill and the Cooperative is requested to reconnect at the same location, a thirty-five dollar (\$35.00) reconnect fee will be charged if reconnected outside the regular working hours. **(R)**

21. COLLECTION OF DELINQUENT ACCOUNTS:

Should it become necessary for the Cooperative to send a representative to the consumer's premises for collection of a delinquent account, there may be a service call charge of thirty dollars (\$30.00) assessed if service is terminated, the bill is paid in the course of the trip, or payment arrangements are made. The charge can only be made once in a billing period. The charge will be due and payable at the time such delinquent account is collected. **(I)**

In the event a member is disconnected for non-payment of a delinquent account and requests reconnection during regular working hours, a thirty-five dollar (\$35.00) reconnect for disconnect fee **(T)** and a thirty dollar (\$30.00) collection fee will be assessed for a total amount of sixty-five dollars **(T)** (\$65.00). After regular working hours, the service call charge will be seventy-five dollars (\$75.00). **(I)**
