Re: Kentucky Utilities Company
Petition for Confidential Protection received 11/12/09
PSC Reference – Case No. 2009-00421

Dear Ms. Sturgeon:

The Public Service Commission has received the Petition for Confidential Protection you filed on November 12, 2009 on behalf of Kentucky Utilities Company ("KU") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.870. The information you seek to have treated as confidential is identified as information contained in KU's Answer to the Complaint filed in this proceeding. The information is more specifically described as Exhibit A which contains customer's account number.

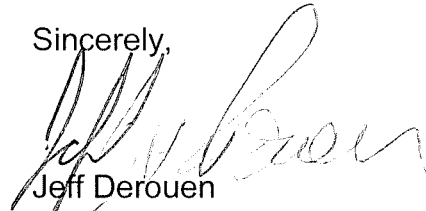

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would be an unwarranted invasion of personal privacy for the customer.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information you seek to keep confidential is of a personal nature, which if publicly disclosed would be an invasion of personal privacy for the customer. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Jeff Derouen
Executive Director
