Pike County Courthouse

Pikeville, KY 41501

Dear Judge Rutherford:

I am writing in response to your request to address the Kentucky Public Service Commission during the May 25 formal evidentiary hearing on the application of Kentucky Power Co. for a general rate adjustment, case number 2009-00459.

The Kentucky Public Service Commission always welcome comments from the elected representatives of the ratepayers served by utilities within the Commission's jurisdiction.

You will be pleased to know that it will not be necessary for you to travel to Frankfort to deliver your remarks directly to members of the Commission. The Commission is planning to hold three meetings solely for the purpose of receiving public comments in this matter. One of those meetings will be held in Pikeville, at a time and location that will be announced in the next few weeks.

Elected officials will, of course, be afforded the opportunity to speak at these meetings. We look forward to hearing from you.

If you have any questions about the meetings or other aspects of this case, please feel free to contact Andrew Melnykovich, our Director of Communications, at 502-564-3940, ext. 208. He will be happy to assist you.

Thank you for your interest in this matter.

Sincerely yours,

David L. Armstrong
Chairman
