Re: Protest of Rate increase

To Whom It May Concern:

I am writing to you as Judge Executive of Carter County and the Fiscal court. I am protesting the rate increase of 40% from Kentucky Power.

Many of the people in our county is on a fixed income and unemployed and cannot meet their bills as it is. We have many elderly people that will have to make a choice to buy their medicines or pay their bills and not have enough income to do both. This will have a terrible impact on the citizens here in Carter County and with the economy being in the shape it is I am not sure how they will make it.

I want to go on record as protesting this increase and hope that something can be done to prevent this.

Sincerely,

A handwritten signature in cursive script that reads "Charles Wallace".

Charles Wallace  
Carter Co. Judge Executive
