Mr. Lloyd R. Williams
2513 Chinn St.
Ashland, KY 41101

Just a note to voice my concern of the
Big Rate Increase. When you are on a
fixed income & no increase in medicine +
Raising the deductible on medicine. Where
do you get the money if everyone keeps
raising rates. My wife has had a stroke &
aneurysm & I was just operated on for lung
cancer. She can't work & when you get my
age people don't want to hire you or
you don't make any money as even
groceries have gone up. So you are in
between a rock & a hard place. You don't
have the money to buy groceries or pay for
your medications. Thank for listening but
I just can't afford the rate increase you +
everyone else is putting us thru.
Lloyd Williams
