Objection to Ky. Power "Increase of Rates"

Roy Hatfield, Jr.

Ky. Public Service Commission
P.O. Box 615
Frankfort, Ky. 40602-0615

This letter is to encourage you not to allow Ky. Power a 35% increase in monthly rates. As two senior citizens on a fixed income, we cannot and do not want to pay a higher electricity bill.

We understand the problems Ky. Power has, but the average homeowner can barely make ends meet now -

Our water service company has stated in the newspaper (Cappalashion Express) that if this rate is approved, then our water & sewer bill goes up also - Help!

Please do not allow this increase to go into effect.

Thank you
Roy & Billie Hatfield
