RE: Increase in Electric Rates

To Who It May Concern,

Per the letter we received from Kentuck Power Company regarding The rate increase of our electric. We are totally against this increase Due to families being on fixed incomes, and the high bills that we Are paying now.

We feel this increase is partially due to the last power outage that We had in Dec. which caused our power in the Caney Fork of Turkey Creek to be out for 8and ½ days, which resulted in the Power company bringing in out of town help to get this mess Cleaned up. If the trees had been cleared from the power lines, this Problem would'nt have been this bad.

Customers are getting the blunt for this, since the power company Has to pay for all of the outside help, we have to suffer for their Mistakes.

We are totally in disagreement with this increase and we request That the Public Service Commission reject this request for this Large increase on our monthly power bills.

Respectfully Submitted,

Concerned Residents of the Caney Fork area, Turkey Creek,KY.
