Re: Louisville Gas and Electric Company  
Petition for Confidential Protection received 3/12/10  
PSC Reference – Case No. 2009-00462

Dear Ms. Sturgeon:

The Public Service Commission has received the Petition for Confidential Protection you filed on March 12, 2010 on behalf of Louisville Gas & Electric ("LG&E"), to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as information contained in LG&E's Response to Metro Property/Higdon Data Request dated February 23, 2010. The information is more particularly described as response to Question 6 containing copies of Metro Property's usage and billing history, which contains customer's account numbers.

Your justification for having the Commission handle this material as confidential, is of a personal nature and that the public disclosure of the information would result in an unwarranted invasion of personal privacy.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information you seek to keep confidential is of a personal nature, which if publicly disclosed would result in an unwarranted invasion of personal privacy. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Sincerely,

Jeff Derouen  
Executive Director
