

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT FILING ) CASE NO. 2009-00493  
OF BATH COUNTY WATER DISTRICT )

O R D E R

On December 11, 2009, Bath County Water District ("Bath County") applied for approval to adjust its rates pursuant to the Purchased Water Adjustment procedure.<sup>1</sup>

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. Bath County purchases water from the City of Morehead Utility Plant Board ("Morehead") and Mt. Sterling Water.

2. Morehead notified Bath County that, effective with its January 1, 2010 billing, its wholesale water rate would increase from \$0.95 per 1,000 gallons to \$0.996 per 1,000 gallons. Bath County proposed to increase the water rates to its customers effective on and after January 1, 2010.

3. During the 12 months ending November 30, 2009, Bath County purchased 406,023,000 gallons of water from Morehead. Bath County sold a total of 357,154,000 gallons. The increase in the cost of purchased water is \$18,677.06,

resulting in a purchased water adjustment of \$0.06 per 1,000 gallons and not \$0.05 per 1,000 gallons as proposed by Bath County.

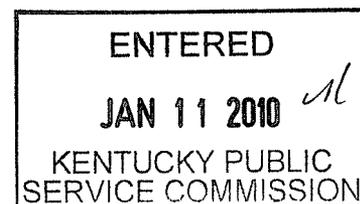

4. Bath County incorrectly applied the purchased water adjustment of \$0.05 per 1,000 gallons to its current rate design. The rates proposed by Bath County should be denied.

5. The purchased water adjustment of \$0.06 per 1,000 gallons is fair, just, and reasonable and should be approved.

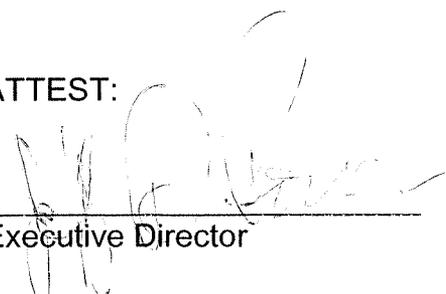

IT IS THEREFORE ORDERED that:

1. The rates proposed by Bath County are denied.
2. The purchased water adjustment of \$0.06 per 1,000 gallons, as calculated in Appendix A, is approved.
3. The rates in Appendix B, attached hereto and incorporated herein, are fair, just, and reasonable and are approved for services rendered on and after January 1, 2010.
4. Within 30 days of the date of this Order, Bath County shall file new tariff sheets showing the rates approved herein.

By the Commission
