APPLICATION OF THE LOUISVILLE AND)	
JEFFERSON COUNTY METROPOLITAN SEWER)	CASE NO.
DISTRICT FOR AN ORDER APPROVING A)	2009-00494
TRANSFER OF OWNERSHIP AND CONTROL)	

NOTICE TO SUPPLEMENT THE APPLICATION

Comes now the applicant, the Louisville and Jefferson County Metropolitan Sewer District (“MSD”), by and through counsel and gives notice that it would like to supplement its application filed on December 11, 2009 concerning the acquisition of the Shadowwood wastewater treatment plant in order to correct a deficiency in the application. The filing was given the Case No. 2009-00494. On December 28, 2009, MSD received notice that the application was rejected because it did not include the required verification by oath or affirmation. Accordingly, in order to correct the deficiency, because the application included numerous exhibits including a detailed engineering study concerning the decommissioning of plants in the Prospect area and to expedite the application process, MSD would like to tender the following verification in order to supplement and correct its original application. MSD is tendering a new “original” application with verification and 10 copies of the verification to correct and supplement the original filing.

Respectfully submitted,
