NOTICE

Ridgelea Investments, Inc. has filed an application with the Public Service Commission proposing to institute a surcharge for sewer service at its three Franklin County plants. This surcharge is needed to pay for regulatory costs required to address operating issues at the three plants, including an Infiltration and Inflow study and lab testing cost increases - both of which have been mandated by the Kentucky Energy and Environment Cabinet. The proposed surcharge would be for a three-year period, and would initially be set at \$13.01 for 18 months, and then is planned to decrease to \$5.75 for the final 18 months. These proposed rates apply to those Franklin County customers who have sewer service only. The proposed effective date of the change is January 21, 2010.
