Re: Ridgelea Investments, Inc. 2009-00500 Rate Case Filing

Dear Sirs:

Ridgelea has received the Commission Staff's second information request, which requires us to provide detailed information responses by May 27, 2010. Because Ridgelea's owner is heavily involved in the day-to-day operation of the three Franklin County sewage treatment plants, as well as the one in Grant County, Ridgelea will be unable to respond by the due date. We are therefore requesting an extension of time until June 17, in order to provide a complete and accurate response to the information requested. In addition, please note that some of the information requests made by Staff in the second data request were also made at the April 22 Informal Conference in this case, so we now intend to comply with both requests by June 17. If there are any questions, please contact me at (513) 284-6116 or (513) 851-8886.

Sincerely,

Charles Hungler, Jr., President  
Ridgelea Investments, Inc.
