O R D E R

Pursuant to 807 KAR 5:056, the Commission, on January 27, 2010, established this case to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Cumberland Valley Electric, Inc. ("Cumberland Valley") for the six-month period that ended on October 31, 2009.

As part of this review, Cumberland Valley complied with the Commission's Order to submit certain information concerning its compliance with 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence that Cumberland Valley has improperly calculated or applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Cumberland Valley through the FAC for the period May 1, 2009 through October 31, 2009 are approved.
