In the Matter of:

APPLICATION OF KENTUCKY)	
UTILITIES COMPANY FOR AN)	CASE NO. 2009-00548
ADJUSTMENT OF BASE RATES)	

**RESPONSE OF KENTUCKY UTILITIES COMPANY TO
THE MOTION TO INTERVENE OF BENJAMIN J. LOOKOFSKY**

Kentucky Utilities Company (“KU”) respectfully requests that the Commission deny the Motion to Intervene of Benjamin J. Lookofsky in this proceeding. Mr. Lookofsky claims an interest in this proceeding because he is a KU residential electric customer.¹ Mr. Lookofsky has not shown that he has a special interest in this proceeding that another party, such as the Attorney General, will not adequately represent, nor has he shown that he will present issues or develop facts that will help the Commission fully consider KU’s Application; in other words, Mr. Lookofsky presents no grounds for full intervention under 807 KAR 5:001 § 3(8)(b). KU therefore respectfully requests that the Commission deny Mr. Lookofsky’s Motion to Intervene in this proceeding.

Mr. Lookofsky claims an interest in this proceeding as a KU residential customer, but the Commission has consistently held that a person’s status as a customer is not a special interest meriting full intervention.² Moreover, the Commission has repeatedly held that where, as here,

² *In the Matter of Application of Louisville Gas and Electric Company for a Certificate of Public Convenience and Necessity and Approval of Its 2009 Compliance Plan for Recovery by Environmental Surcharge*, Case No. 2009-00198, Order (Aug. 28, 2009) (denying intervention to customer Tammy Stewart on ground she lacked a special interest meriting intervention, as well as expertise that would assist the Commission); *In the Matter of: Application of Kentucky Utilities Company for an Order Approving the Establishment of a Regulatory Asset*, Case No. 2009-00174, Order (June 26, 2009) (denying Rep. Jim Stewart’s Motion to Intervene because he had neither a special interest in the proceeding nor was he likely to assist the Commission to render a decision); *In the Matter of: Joint Application of Louisville Gas and Electric Company, Association of Community Ministries, Inc., People Organized and Working for Energy Reform, and Kentucky Association for Community Action, Inc. for the Establishment of a Home Energy Assistance Program*, Case No. 2007-00337, Order at 6 (Sept. 14, 2007) (“[H]old[ing] a particular

the Attorney General has intervened in a proceeding,³ he represents the interests of a utility's customers: "The interests of ratepayers are represented, as a matter of law, by the Attorney General. *See* KRS 367.150(8)(a)."⁴ Mr. Lookofsky's motion states no special interest that the Attorney General cannot or will not adequately represent in this proceeding. For these reasons, KU respectfully submits that Mr. Lookofsky cannot receive full intervener status in this proceeding under the first prong of 807 KAR 5:001 § 3(8)(b).

Concerning the second prong of 807 KAR 5:001 § 3(8)(b), Mr. Lookofsky's motion does not claim that he possesses any sort of training or expertise that would assist the Commission in rendering a decision; therefore, he cannot be granted intervention on that basis.

To the extent Mr. Lookofsky, as a customer of KU, desires to express his beliefs and opinions concerning KU's application for a change in base rates, he may do so by either submitting his public comments in writing to the Commission or appearing at the public portion of the hearing in this case and expressing his views in person. He will, therefore, have a complete opportunity to express his views and ideas in this proceeding.

WHEREFORE, because Mr. Lookofsky has not presented any ground upon which the Commission can grant him full intervention, KU respectfully requests that the Commission deny his Motion to Intervene.

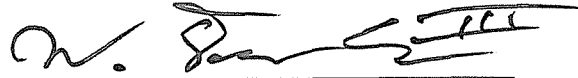

position on issues pending in ... [a] case does not create the requisite 'special interest' to justify full intervention under 807 KAR 5:001, Section 3(8)(b)."

³ Although the Commission has not issued an order granting intervention to the Attorney General, he petitioned to intervene on February 10, 2010, which petition the Commission must grant under KRS 367.150(8).

⁴ *In the Matter of: An Investigation Into East Kentucky Power Cooperative, Inc.'s Continued Need for Certificated Generation*, Case No. 2006-00564, Order at 4-5 (April 19, 2007). *See also* KRS 367.150(8)(b).
