If you must put through a rate increase, can't you please phase it in over time so folks that are on truly fixed incomes i.e. Soc Sec, various retiree groups can have time to adjust. Many in Eastern Kentucky are retired from the mines and it is really tough at times. A hit this monumental is so wrong. Please reconsider an alternative phase in or something else more manageable. Sincerely,  
L. Warf, Cumberland, KY [REDACTED]
