**MOTION FOR FULL INTERVENTION OF
THE UNITED STATES DEPARTMENT OF DEFENSE
AND OTHER FEDERAL EXECUTIVE AGENCIES**

Pursuant to K.R.S. §278.310 and 807 KAR 5:001 Section 3(8), the United States Department of Defense and Other Federal Executive Agencies (“DOD/FEA”), by and through its duly authorized legal counsel, hereby files this Motion For Full Intervention in the above-captioned proceeding. In support of this Motion, DOD/FEA states:

1. DOD/FEA operates several major military and civilian installations and facilities in the service area of Louisville Gas And Electric Company (“LG&E”) including, most notably, Fort Knox. Currently, Fort Knox alone pays LG&E over \$10,000,000 annually under a “special contract” for electricity service. In view of the large rate increase requested by LG&E, the outcome of this proceeding will therefore have substantial and significant impact on Fort Knox and the other affected Federal installations and facilities. The special interests of DOD/FEA cannot be adequately represented by any other party to this proceeding and DOD/FEA’s full participation is likely to assist the Commission in fully considering

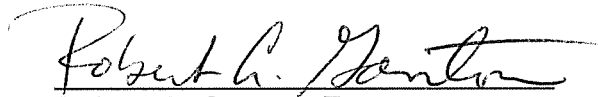

the matter without unduly complicating or disrupting the proceedings.
Accordingly, DOD/FEA should be granted full intervenor status.

2. DOD/FEA's attorney, to whom all communications and pleadings should be addressed, is:

E-Mail: robert.ganton@us.army.mil

WHEREFORE, DOD/FEA respectfully requests that it be granted full intervenor status in the above-captioned proceeding.

Respectfully submitted,
