**MOTION OF  
LOUISVILLE GAS AND ELECTRIC COMPANY  
FOR APPROVAL OF TARIFF SHEET CORRECTIONS**

Louisville Gas and Electric Company (“LG&E”) respectfully requests that the Kentucky Public Service Commission (“Commission”) issue an order correcting the descriptions for certain lights contained in Original Sheet No. 36.3 for Standard Rate Restricted Lighting Service (RLS) of LG&E’s electric tariff. In support of this Motion, LG&E states as follows:

On June 8, 2010, LG&E, Kentucky Utilities Company, and the intervenors in this case and Case No. 2009-00548, with the exception of the Attorney General, filed a Stipulation and Recommendation (“Stipulation”), which was intended to address all of the issues raised in the two rate cases. After a hearing, the Commission issued an Order on July 30, 2010, approving the Stipulation in its entirety. Although the rates and descriptions contained in allocation schedules of Exhibit 2 to the Stipulation relating to some of the High Pressure Sodium Vapor and Mercury Vapor lights were accurate, the proposed electric tariff sheets contained in Exhibit 5 to the Stipulation relating to these same lights were not. As a result, some of these same errors related to these lights were included in Appendix B to the Commission’s July 30, 2010 Order.

When LG&E filed its revised tariffs on August 6, 2010, the rates contained on Original Sheet No. 36.3 for Standard Rate Restricted Lighting Service (RLS) were correct. However, the descriptions relating to two specific lights were not and a third light was missing altogether. The

High Pressure Sodium Vapor lights listed on the Original Sheet No. 36.3 as “250 Watt on State of Ky. Pole” and “400 Watt on State of Ky. Pole” were incorrectly labeled. Those lights should have been listed as “250 Watt (metal pole)” and “400 Watt (metal pole)”. In addition, the 250 Watt on State of Ky. Pole was inadvertently omitted on Original Sheet No. 36.3. Attached as Exhibit A is Stipulation Exhibit 2, pages 11 and 12 with the three (3) lights in question highlighted and identified as (1), (2), and (3). The lights listed as (1) and (2) in Stipulation Exhibit 2 were incorrectly labeled on Original Sheet No. 36.3 as the State of Ky Poles. In addition, the light listed as (3) was omitted from Original Sheet No. 36.3. Attached as Exhibit B is a mark-up of LG&E Electric Original Sheet No 36.3 (filed on August 6, 2010) to show the changes necessary to reflect the rates and descriptions contained in Stipulation Exhibit 2. Finally, attached as Exhibit C is a revised Original Sheet No. 36.3 which reflects the correct descriptions and rates shown in Stipulation Exhibit 2.

**WHEREFORE,** Louisville Gas and Electric Company respectfully requests that the Commission grant this Motion to correct Original Sheet No. 36.3 as described above.

Dated: September 28, 2010
