

Dear Mr. Johnson:

Thank you for your comments regarding the rate increase proposed by Louisville Gas & Electric Co. Your comments will be placed into the case file for the Commission's review as it considers this matter. The PSC is obligated by statute to review fully, and with due process granted to all parties, any rate adjustment requests submitted by utilities within its jurisdiction.

For your future reference, the case number in this matter is 2009-00549. Please cite it in any future correspondence regarding this case so that your comments may be readily directed to the case file.

Thank you again for your interest.

I am curious to know how, in this economy where people are loosing there jobs, business's are struggling to keep their doors open, that the Ky Public service commission would even consider to allow LG&E to be able to raise they rates. Please help me to understand this.

Thank you
Clay Johnson
