**Subject:** your comments in case 2009-00549 - Louisville Gas & Electric Co. rates

Dear Mr. Britton:

Thank you for your comments regarding the rate increase proposed by Louisville Gas & Electric Co. Your comments will be placed into the case file for the Commission's review as it considers this matter. As you noted, the case number in this matter is 2009-00549. Please cite it in any future correspondence regarding this case so that your comments may be readily directed to the case file.

Thank you again for your interest.

As customer of LG@E for many years I find it ridiculous for them to ask for a rate hike for repairing and replacing old lines.

It is their company and they should repair and maintain their lines.

It seems they want the customers to pay their own bills and LG@E upkeep. I think this rate hike should be denied.

Thanks so very much.

Robert H. Britton.
