To Whom It May Concern:

I am writing in protest of LG&E's proposed rate hike (case #2009-00549).

Since LG&E was aquired by Eon-U.S. they have used every possible excuse and ploy to raise and attempt to raise their rates. Are already economically beleaguered Kentuckians to be held captive to every whim of a mutli-national corporation that cares little about the Bluegrass state and her people and a great deal about increasing profitability? NO!

The Kentucky Public Service Commission needs to step up and do the right thing by protecting Kentucky and her citizens.

Sincerely,

Dr. Nayda R. Terkildsen-Eadens
