Please block LG&E (CASE#2009-00549) rate increase. Louisville unemployment is over 10% and many people are going hungry to pay their high bills.

During the last 5 years, I have been laid off twice. I could not find a full time job, so I am now working a part-time job. I am having a hard time paying my LG&E bill now.

I guess the big companies get richer and the little person gets poorer. This rate increase is Not right!
