

To whom it may concern:

In writing in regard to your rate increase in my utility bill.

In pleading with you not to do this!

I'm sure you are tired of hearing of senior citizens speaking of being on a fixed income. Well I'm sorry I happen to be one of them and I simply can not afford this increase that you intend to put on us.

I pray that you will reconsider the rate increase. I have been a customer of L & G and E for over sixty years and have always paid my bill when due. I won't be able to do that without assistance if you raise our rates!

Sincerely
Mrs. D. Elder
