Frankfort, KY 40601

Public Service Commission,

I am writing to state that we are opposed to any rate increases for Louisville Gas and Electric Company, be it gas increases or electric increases.
We would also be against any increases for the water company.

In this present economy I don't know how people will be able to pay any increases in any utility.

It seems that they ask for and receive an increase every year.

Thank you for considering our opposition.

Willard & Joan Hochhalter
