ATTN Mr Jeff DEROUEN

Sir I strongly protest the LG+E rate hike. AS you know Senior Citizens Did Not get a cost of living raise this year ever though every thing else is getting more expensive. When I Bought my Patio Home the monthly fee was \$115, a month. this year it is \$180. a month. And now you want to raise my utility bill? IF you don't deny this 19% raise you are going to have the Streets Flooded with people who cannot afford to Live in the House they Bought and Paid for.
