Case #2010-00006

Regarding the 240 foot cellular tower to be constructed at 280 Mitchell Lane, Somerset Ky.

I am against the construction of such a tower that will be within 500 feet of my property , said property being 3391 Slate Branch Rd., Somerset Ky. I am retiring with the intention of building a home facing Mitchell Lane, I had not planned on a cellular tower being the view from my retirement home.

Should I decide to sell that lot, it is my firm belief that I would not be able to sell to anyone who would want the cellular tower as a view from their home. I fear this will greatly decrease the current value of my property.
