Re: Case No. 2010-00011

Dear Mr. Derouen:

As requested, please find enclosed a copy of meeting minutes showing that the board of commissioners approved the .05 cent increase regarding the water purchase adjustment. At that time, we had not received the change from Bath County Water reflecting a .06 cent increase.

Also, the district is requesting that the tank truck sales be increased from \$7.25 per 1000 gallons to 7.30. Our tank sales machine is coin operated (.25 cents) and cannot be set to the odd .01 cent. We cannot afford to lose the entire .06 cents.

Sincerely,

Gayle Haney  
District Manager
