Dear Mr. Derouen:

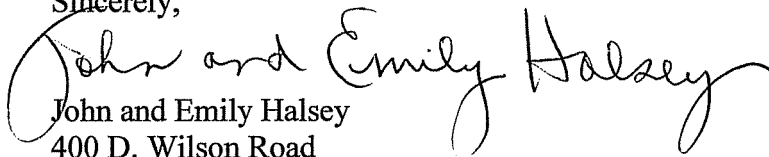

Re: Cumberland Cellular Partnership
Case No. 2010-00018
Proposed Communications Tower
on Tucker Warren Road, Knifley, Adair County, Kentucky

Thank you for your reply to our letter regarding the above matter. On April 10, 2010, we received a response to our letter from the law firm representing Cumberland Cellular Partnership d/b/a Bluegrass Cellular. We do not wish to become a party to this proceeding.

The attachment 807 KAR 5:063 to P.S.C.'s letter to us contains a section identified as 807 KAR 5:001, Section 9(2)(a) through (t). We request a copy of Cumberland Cellular Partnership's application as it relates to (i) a vertical profile sketch of the tower, signed and sealed by a professional engineer indicating the height of the tower and the placement of all antennas; and (j) the tower and foundation design plans.

Your consideration of this request will be greatly appreciated.

Sincerely,

John and Emily Halsey
