RE: Informal Conference of March 23, 2010

Pursuant to the Commission's February 11, 2010 Order, on March 23, 2010, representatives of East Kentucky Power Cooperative ("EKPC") and Commission Staff ("Staff") met at the Commission's offices to discuss EKPC's testimony and responses to the first round of data requests in the current examination of the company's environmental surcharge mechanism. A list of attendees is attached to this memorandum.

Staff asked clarifying questions related to information included in the first data request. The topics discussed were related to operations and maintenance expenses and the monthly filing report for two of EKPC's distribution cooperatives. EKPC agreed to provide further information to questions raised at the informal conference. There being no other questions, the meeting was adjourned.
