PUBLIC SERVICE
COMMISSION

Dear Mr. Derouen:

Enclosed please find an original and six (6) copies each of Farmers Rural Electric Cooperative Corporation's filing for approval of the Touchstone Energy Home and Touchstone Energy Manufactured Home Programs. Also included with this filing is a copy of our board resolution approving the request for the new energy conservation programs.

These new energy conservation programs are being added in recognition of the Commission's approval of East Kentucky Power Cooperative's Touchstone Energy Home Program tariffs DSM-1 (Case 2007-00266; 2/28/08) and DSM-2 (Case 2006-00547; 9/18/07), both which were effective on November 6, 2009. The proposed retail program tariffs mirror East Kentucky Power's wholesale program tariffs. We are requesting an effective date for these programs to be March 1, 2010.

Please contact me if you have any questions or need for additional information on this filing.

Sincerely,
Farmers Rural Electric Cooperative Corporation

TOUCHSTONE ENERGY HOME PROGRAM

Purpose

The Touchstone Energy Home Program ("Program") is a conservation program that encourages the sale of more energy-efficient homes. It is based on *Energy Star* standards for homes, a nationally recognized symbol of energy efficiency and quality developed and operated jointly by the U.S. Environmental Protection Agency (EPA) and the U.S. Department of Energy (DOE).

Availability

This program is available in all service territory served by Farmers RECC

Eligibility

To qualify as a Touchstone Energy Home under this program, the participating home must be located in the service territory of Farmers RECC and meet the *Energy Star* standards by including additional floor, wall and ceiling insulation, double pane windows and an electric heat pump.

Rebate

Farmers RECC will provide an incentive to retail customers to build or purchase a *Energy Star* qualified home. Farmers RECC will offer a rebate of up to \$250 for each participant. Rebates will be paid to each participant upon written certification that the newly constructed home has met the *Energy Star* standards.

Annual Reports

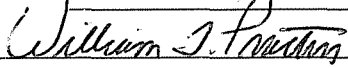

Farmers RECC, in coordination with East Kentucky Power Cooperative, Inc., will submit annual reports on the Program that contain the number of participants, the annual costs, including the costs of the rebates, and the status of the rebate provision. Farmers RECC, in coordination with EKPC, will file the first report by June 30, 2010, and annually thereafter.

Term

The Touchstone Energy Home Program will remain in effect through 2011. If Farmers RECC should decide to continue the entire program beyond 2011, an application for approval from the Kentucky Public Service Commission will be filed, in coordination with EKPC, 6 months prior to the date of continuation.

TOUCHSTONE ENERGY MANUFACTURED HOME PROGRAM

Purpose

The Touchstone Energy Manufactured Home Program is a conservation program that encourages the sale of more energy-efficient manufactured homes. It is based on the *Energy Star* standards for manufactured homes, a nationally recognized symbol of energy efficiency and quality developed and operated jointly by the U.S. Environmental Protection Agency (EPA) and the U.S. Department of Energy (DOE).

Availability

This program is available in all service territory served by Farmers RECC.

Eligibility

To qualify as a Touchstone Energy Manufactured Home under this program, the participating manufactured home must be located in the service territory of Farmers RECC and meet the *Energy Star* standards by including additional floor, wall and ceiling insulation, double pane windows and an electric heat pump.

Rebate

Farmers RECC will provide an incentive to members who participate in this program by offering a one-time rebate. Farmers RECC will rebate \$250 per certified manufactured home to the participating member. Rebates will be paid to the participant upon written certification that the participant has met the *Energy Star* standards for newly constructed manufactured homes.

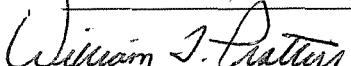

For members who purchase a manufactured home which only includes a heat pump meeting Energy Star standards, Farmers RECC will rebate \$150. For members with inefficient electric heating systems, Farmers RECC will rebate \$150 for replacing their existing furnace with a heat pump that meets minimum Energy Star Standards.

Annual Reports

Farmers RECC, in coordination with East Kentucky Power Cooperative, Inc. ("EKPC"), will submit annual reports on the Program that contain the number of participants from each Member System, the annual costs, including the costs of the rebates, and the status of the rebate provision. EKPC will file the first report by March 31, 2009, and annually thereafter.

RESOLUTION

TOUCHSTONE ENERGY HOME AND MANUFACTURED HOME PROGRAMS

WHEREAS, Farmers Rural Electric Cooperative Corporation ("FRECC") plans to file an application with the Kentucky Public Service Commission (the "Commission") to seek approval for the addition to the cooperative tariffs, a conservation program that encourages the sale of more energy efficient homes and manufactured homes. It is based on the East Kentucky Power Cooperative's Touchstone Energy Home and Manufactured Home programs. *Energy Star* standards for homes and manufactured homes, a nationally recognized symbol of energy efficiency and quality developed and operated jointly by the U. S. Environmental Protection Agency (EPA) and the U. S. Department of Energy (DOE).

WHEREAS, FRECC will offer a rebate of \$250 to participating members meeting the full qualifications of the efficiency programs. For members who purchase a manufactured home which only includes a heat pump meeting *Energy Star* standards, FRECC will rebate \$150. For members who replace inefficient electric heating systems in manufactured homes with a heat pump that meets minimum *Energy Star* Standards, FRECC will rebate \$150 for the improvement.

RESOLVED, that the Farmers Rural Electric board of directors do hereby support the addition of a Touchstone Energy Home Program and a Touchstone Energy Manufactured Home Program to the existing rate schedule.

#

Freddie Button, President
Farmers Rural Electric
Board of Directors

I, C. F. Martin, Jr. Secretary/Treasurer of Farmers Rural Electric Cooperative Corporation, do hereby certify that the above is a true and correct copy of a resolution adopted at the meeting of the Board of Directors of Farmers Rural Electric Cooperative Corporation on January 21, 2010 at which meeting a quorum was present.

C. F. Martin, Jr. Secretary/Treasurer
