**MIDWEST ISO'S MOTION TO RESCHEDULE HEARING**

Comes now Midwest Independent Transmission System Operator, Inc. ("Midwest ISO"), by and through counsel, and moves the Kentucky Public Service Commission ("the Commission") for an Order rescheduling the hearing in this case from August 18, 2010 to September 8, 2010, at a time convenient for the Commission.

In support of this Motion, counsel for the Midwest ISO states that an Informal Conference was held in this case on July 7, 2010 wherein, among several issues discussed, was the date for hearing in this case. The parties advised the Commission of various witness availability issues and, after consultation between and among themselves, and in further consultation with the Commission Staff, it was determined that September 8, 2010 was the earliest date possible to hold the hearing.

WHEREFORE, the Midwest ISO and all other parties agree and respectfully request that the Commission enter an Order rescheduling the hearing in this case from August 18, 2010 to September 8, 2010, at a time convenient with the Commission.

This 7<sup>th</sup> day of July, 2010.

Respectfully submitted,
