Application of Big Rivers Electric Corporation)
for Approval to Transfer Functional Control) Case No. 2010-00043
of Its Transmission System to Midwest)
Independent Transmission System Operator, Inc.)

MIDWEST ISO'S NOTIFICATION OF INTENT TO SET ASIDE
PRIOR WITNESS SUBSTITUTION NOTICE

Comes now Midwest Independent Transmission System Operator, Inc. ("Midwest ISO"), and notifies the Kentucky Public Service Commission ("the Commission"), and the other parties to this case, of the following:

1. By its Notification of Intent and Motion to Substitute a Witness filed on or about May 24, 2010, the Midwest ISO notified the Commission and the parties that due to a pre-existing scheduling conflict with the July 7, 2010 evidentiary hearing, it was required to substitute a witness for Richard Doying, Vice President of Market Operations;
2. However, the July 7, 2010 evidentiary hearing was continued by Order of the Commission to its current scheduled date of September 15, 2010. This new date no longer poses a scheduling conflict for Mr. Doying and the substitution that was previously made is no longer required; and,
3. It is the intent of the Midwest ISO that Mr. Doying be available on the September 15, 2010 hearing date in order to adopt his pre-filed testimony in full and to be available for cross-examination by the other parties.

WHEREFORE, the Midwest ISO provides notice that Mr. Doying will be available as a witness on September 15, 2010 and its previous notification of witness substitution is set aside.

This 3rd day of September, 2010.

Respectfully submitted,

Mark David Goss
