Case No. 2010-00048

STATUS REPORT

dPi Teleconnect, LLC (“dPi”), by its undersigned counsel, hereby files the status report required by the Commission’s August 4, 2010 Order that placed this case in abeyance. dPi is reviewing the Commission’s recent order imposing certain conditions on another provider of wireless services that applied for ETC status. dPi is also considering other factors that could result in an amendment of its inactive petition in this case. dPi will file another status report by early December, as directed by the Commission.

Respectfully submitted,

Douglas F. Brent
