Re: Louisville Gas and Electric Company
Petition for Confidential Protection received 3/8/10
PSC Reference – Case No. 2010-00070

Dear Ms. Sturgeon:

The Public Service Commission has received the Petition for Confidential Protection you filed on March 8, 2010 on behalf of Louisville Gas & Electric ("LG&E"), to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as information contained in supporting documents to LG&E's Answer to the Meyer Complaint. The information is more particularly described as copies of Complainant's brown bills, which contain customer's account number.

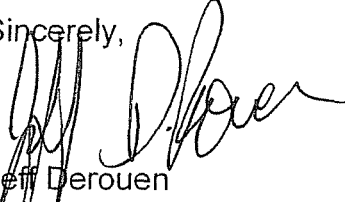

Your justification for having the Commission handle this material as confidential, is of a personal nature and that the public disclosure of the information would result in an unwarranted invasion of personal privacy.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information you seek to keep confidential is of a personal nature, which if publicly disclosed would result in an unwarranted invasion of personal privacy. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Sincerely,

Jeff Derouen
